

SBIR/STTR Workshop
October 21-22, 2020
9:00 am – 4:30 pm (EST)

Presented by:

Join our live Virtual Classroom for an interactive, 1.5 day SBIR/STTR workshop. We'll review the basics including program purpose; eligibility; and sources of funding. Then we'll provide proposal prep essentials of the NIH and NSF programs. In addition to up-to-date information on the SBIR/STTR programs, we will cover:

- NIH and NSF grant mechanisms and where to find them
- How to do research using the web tools available (eReporter, SBIR.gov, etc.)
- Common pitfalls and how to avoid them, and much more.
